IN LOVING MEMORY OF  
CEILI KINNEEN  
2004 - 2017

A loving daughter, sister, and friend;  
Ceili would have graduated this year.

Contributions by Ceili's friends: Emily Provost, Sammy Cronin, Julianna Marinho, and Colleen Logan

Ceili Kinneen's distinct personality and influence will be forever remembered by the Wilmington community and the Class of 2023. We choose to honor her memory by dedicating this yearbook to her, as her strength, kindness, and creativity live on in the hearts of her friends, family, and the residents of Wilmington as a whole. She was a positive influence on many, whether as a friend, daughter, sister, or family member.

Caring, sweet, and especially selfless: these are just a few of the adjectives Ceili's friends--students of the Class of 2023--used to describe her. While interviewing them, Ceili's loving, honest, and trustworthy nature shined through as they revived sentimental memories. It was clear that Ceili never failed to tell the truth.

Not only was she honest, but she was also selfless. She had once given a homemade gift to somebody completely random at school, which was both unexpected and a clear example of Ceili's unconditional generosity.

A signature attribute of Ceili was that she loved having short hair. She also threw the best birthday parties--her friends considered them the highlight of their year. Between ziplining, jumping on the trampoline, and petting the chickens, there was always something exciting to do. Ceili was highly creative and loved the arts, her individuality flourishing through both extracurricular activities and hobbies. She hoped to be an influencer, starting her own YouTube channel and singing on the school bus. She loved crafts, coloring, theater, and spending time outdoors. She also did dance and played the flute.

Ceili and her family made guests feel at home, and Ceili's support group, including her friends, were all treated as if they were part of the family by her parents and relatives. Even now, her aunt still checks in and likes Ceili's friends' posts.

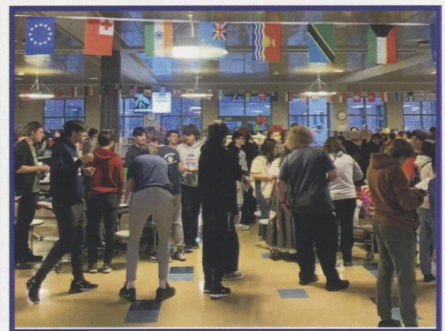

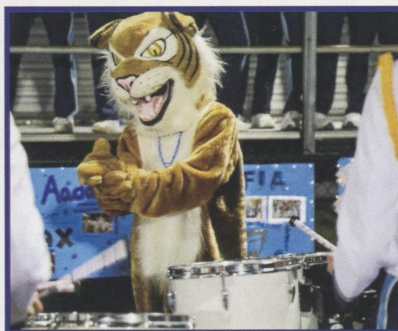

Ceili had a big heart and a bright personality. She will be remembered with fondness and appreciation, as she gave love graciously to others during her time in this world.

# EDITORS' NOTE

After four years, our journey together ends here. But, this instance marks the next chapter of our lives: one filled with new beginnings. It was a pleasure to work on this year's yearbook and incorporate reminders of our time as wildcats. Thank you to all the dedicated members for your hard work, and a special thanks to Ms. Daly for taking on the task of advising our club. We wish you the best of luck in all of your future endeavors.

# WORDS OF WISDOM FOR

Class of 2023,

Resiliency is the process and outcome of successfully adapting to difficult or challenging life experiences, especially through mental, emotional and behavioral flexibility. You were only 9th graders when a worldwide pandemic brought the world, and your high school experience, to a sudden halt. In 10th grade, you had to adapt to Hybrid learning, and it wasn't until 11th grade that you experienced your first full year together at WHS. You then learned that you'd need to adapt yet again - this time, getting to know a new Principal during your senior year. Despite each of these twists and turns, you've emerged as a successful and unified graduating class of WHS. We will always remember and appreciate the incredible resiliency of the Class of 2023.

I am personally grateful for the way your Class welcomed me to WHS, and I value the conversations, discussions, and celebrations we have shared this year. I admire the way you take care of each other, and how you've led the school in a positive direction. You are now ready to leave here, and accomplish your goals and dreams. Enjoy the ride, and don't forget to have fun. We'll be here to celebrate and support you, even after you graduate.

Roll Cats,  
Mr. Gendron

## FROM MR. GENDRON-

## FROM YOUR CLASS OFFICERS-

Class of 2023,

These past four years have been nothing but extraordinary. Each student has been vital, and each experience has been grand. We have faced adversity in the Coronavirus, yet we have prospered. This class has experienced much throughout our time in high school, from fraudulent Chick Fil' A cards to an e coli outbreak. Each day was filled with laughter, excitement, and maybe a little stress. As we move onto the next chapter of our lives, we hope to remember these four years of learning, experience, and fun. Our former principal, Ms. Peters, always used to tell us to work hard and be kind, we hope you take that advice as you move onward. Treat every person you meet throughout your next journey with kindness and work hard on each project you come across. We thank each and every student, teacher and staff member that helped us get to this point. It has been an honor to serve as your class officers, thank you.

Patrick (President), Mia (Vice President), Julia (Treasurer), and Ava (Secretary)

# THE CLASS OF 2023

## FROM YOUR CLASS ADVISORS-

Class of 2023,

Congratulations Class of 2023. It has been a pleasure to watch you grow and mature into the wonderful people that you are today. Your four years at Wilmington High School haven't always been easy, but you have taken on all of the challenges that you have faced and grown stronger together. There are a lot of good memories to hold onto as well as great friendships that you have made along the way. We are so proud of all of you, make good choices, and we wish you all the best in whatever the future has in store for you.

Mrs. Ettinger, Sra. Burns, Ms. Mandeville, and Mrs. McConologue

## FROM MR. STAFFIER AND MR. MERENDA-

Congratulations class of 2023. You have arrived and we could not be happier for you. Tradition demands we send you off with words of wisdom and sage advice- that being said over the next few days and months you will be inundated with such. We have thus decided to leave you with a few simple truths. You are ready and prepared for what lies ahead. Work hard and do not fear failure. You will struggle and make mistakes, but you will learn from them and grow stronger. Practice persistence and be willing to change- you will find success. Don't forget to laugh and look for the good in all things and everyone. We know that you will handle every situation maturely and give it the care and attention it deserves. You are great people, and you'll do great things!

To the class of 2024 and beyond, work hard, be kind and care for others. You too will find great things ahead of you.

## Staff Advice and Encouragements

Please never forget that you mean something to someone, not just your family and friends but to other people you may interact with at any point as you now enter your adult lives, your teachers, neighbours, coworkers, whoever it may be. You hold importance to them in some way, even if they may not always show it. You have the capability of being loved and are loved by those around you. Share these emotions with the ones you care for most and try to spread positivity as best as you can. Some people may need it more than others and we just aren't always aware of it. We only have so much time in our lives so try to make the best of it for yourself and those around you. Cheer each other on, uplift and encourage others to do amazing things. Good luck to you all, I hope all of your futures are bright! Love, Ms. Mannala

# BLACK HISTORY MONTH & CULTURE FEST

The Black and Latinx Affinity Group at Wilmington High School organized the first-ever Black History Month celebration in February. The event was a great success, with students, teachers, administrators, and members of the community all coming together to celebrate and learn about Black history and culture. The celebration included a range of activities where students, faculty, and members of the community were able to learn about the contributions of Black leaders and innovators throughout history, as well as the ongoing struggle for equality and justice. Afterwards the community gathered for a potluck dinner where families and students shared food and conversations. The event celebrated the diversity of Wilmington High School and served as a reminder of the important role that Black history and culture play in shaping our society and future.

The Culture Festival, sponsored by the Wilmington High School World Cultures Club, featured an interactive display of what makes the world unique: the diversity of its people. Countries all across the world were represented through staples of their culture, facts about the country, and samples of the food. Countries included were Brazil, Lebanon, China, India, Germany, Greece, Colombia, Nepal, and a plethora of others across all different continents. At the end of the night, India, Haiti, Greece, Brazil, and Bulgaria performed traditional dances, poetry, and music in front of an audience. As much as the culture festival was relaxed, it was also a competition. The winners of the culture fest were those with the best booth --China-- which was made by Emily Banks, Emily Tran, Lindsey Kane, and Lian Juergens.

A phone displays the Twitter account of billionaire Elon Musk and his tweets from Nov. 15. He was already the CEO of Tesla and SpaceX when he became sole owner of Twitter for \$44 billion, and plunging stocks caused him to lose his rank as the world's richest man. Upon taking over the social media platform, Musk made a series of controversial decisions, including mass layoffs, implementation and then de-implementation of the Twitter Blue account verification program, and asking remaining employees to commit to working "long hours at high intensity" or leave the company. ## PAY UP

Protesters rally outside the Department of Education, calling on President Joe Biden to abolish all student loan debt. Their demands were partially answered in August, when Biden signed an executive order forgiving up to \$20,000 of debt for millions of Americans. Max Mayfield, portrayed by actor Sadie Sink, looks for the source of a paranormal sound in season 4 of the hit Netflix show "Stranger Things." ### IMPORTANCE OF CPR

Following the on-field collapse of NFL football player Damar Hamlin, the American Heart Association reported a 620% increase in page views on its CPR pages. According to the CDC, follow the below steps if you see someone in cardiac arrest:

1. Call 911 right away.
2. Give CPR. Push down hard and fast in the center of the chest at a rate of 100 to 120 pushes a minute. Let the chest come back up to its normal position after each push. The American Heart Association recommends timing your pushes to the beat of the song "Stayin' Alive."
3. Continue giving CPR until medical professionals arrive or until a person with formal CPR training can take over.

### OH-ZONE SHE DID IT
